The Power Specialists

<b>Job Title:</b>	Junior Wireman	<b>Location:</b>	Offices of SES, Datchet, SL3 9JU
<b>Hours:</b>	40pw	<b>Reporting to:</b>	Workshop Manager

## Job Summary:

SES is looking to recruit a junior wireman to work in the workshop of our manufacturing base in Datchet. The successful candidate will be responsible for learning wiring techniques and be able to follow instructions from the other wireman, senior wiremen and the workshop manager.

This role will be demanding, and the successful candidate should be eager to develop new skills as well as being a fast learner.

In- house, on the job, training will be provided to ensure that the successful candidate is able to complete their task safely and efficiently.

The successful candidate would need to have a willingness to learn new skills and be confident enough to speak up and ask if they do not understand how to do something.

## Key Responsibilities:

1. To learn the techniques involved in the wiring of mains power distribution boxes, racks and panels, with verbal instruction, but with regular supervision.
2. Cutting cable to required lengths, following directions provided.
3. Using hand tools on a daily basis to strip cables, do crimping, and preparing sockets
4. Aid in ensuring that each product meets the high standards that SES expects
5. To follow all Health and Safety guidelines
